ASX ANNOUNCEMENT

Trigg Mining appoints Maree Arnason as a Non-Executive Director

Appointment of highly-regarded director and company executive further strengthens Trigg's Board as it progresses pre-feasibility studies at the Lake Throssell SOP Project

Trigg Mining Limited (ASX: TMG) (Trigg or the Company) is pleased to announce the appointment of Maree Arnason as an independent Non-Executive Director, effective immediately.

Ms Arnason is a highly experienced director and senior executive in the natural resources, energy and manufacturing sectors with companies including BHP Billiton, Carter Holt Harvey, Svenska Cellulosa AB (SCA) and Wesfarmers, working across various commodities including gold, copper, iron ore, timber, coal, mineral sands and natural gas.

As a Co-Founder and Director of Energy Access Services, which operates an independent Western Australian-focused digital trading platform for wholesale gas buyers and sellers, Ms Arnason has experience in the start-up, commercialisation and innovation space and was recognised as one of the Top 100 Global Inspirational Women in Mining in 2018.

Ms Arnason is a non-executive director of Gold Road Resources Limited, a ASX 200 company, where she is Chair of the Risk and Sustainability Committee and serves on the Australian Securities and Investments Commission (ASIC) Corporate Governance Consultative Panel. She holds a Bachelor of Arts and is an Australian Institute of Company Directors Fellow and WA Divisional Councillor.

In her executive career, Ms Arnason was a member of divisional leadership teams for several ASX-listed companies with businesses and services located globally. She has worked in many complex corporate, site and project environments with a focus on risk and reputation and has expertise in strategy, sustainability, risk, stakeholder relations, business transformations, and corporate affairs including government, indigenous and regulatory.

Trigg Mining Managing Director, Keren Paterson, said: *"We are very pleased to welcome Maree to the Trigg Board. Her extensive experience aligns strongly with our vision for the Company, and will be invaluable as we progress through feasibility studies and towards the development of our flagship Lake Throssell Sulphate of Potash Project."*

This announcement was authorised to be given to ASX by the Board of Directors of Trigg Mining Limited.
